

Oh god...  
I'm losing  
my mind.

Guess I should  
just stick around  
and see who  
strikes first...

The Marauders  
or the guy who  
leaves a single  
rose at the places  
he robs.

...Wow...  
the oceans  
are really  
freezing  
over.

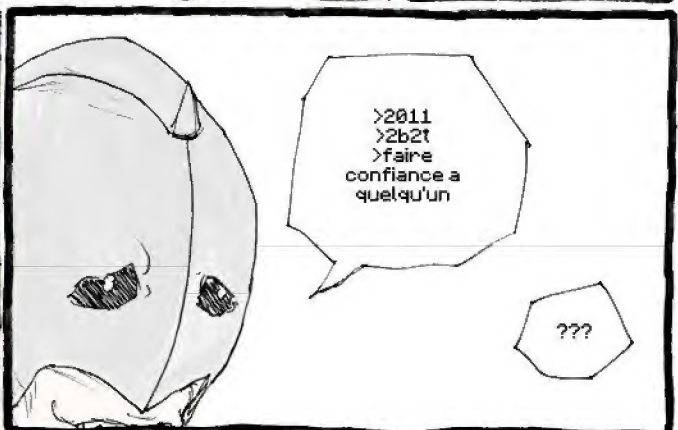

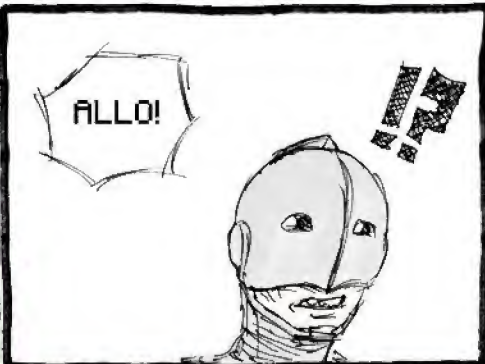

It's like a nuclear  
waste land...

FOREST

Four-  
quoi?

Parce que  
tout monde ici  
est un Greifer.

Hell,

I've heard  
of real life  
friends  
fucking  
each  
other  
over.

Mais c'est  
pour ça j'ai  
besoin d'un  
partenaire,  
pour que nous  
puissions  
protéger  
l'un l'autre.

Is he  
retarded  
or what?

...

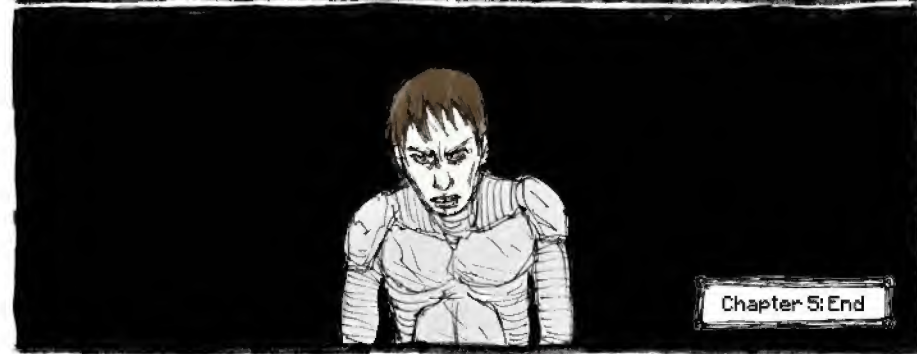

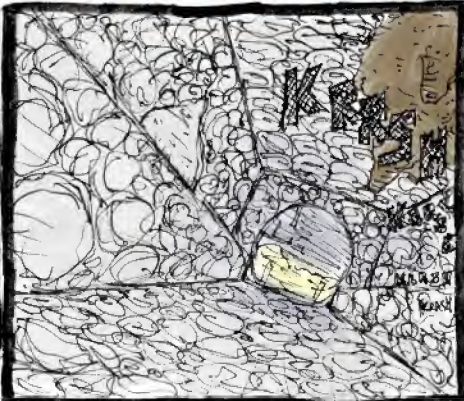

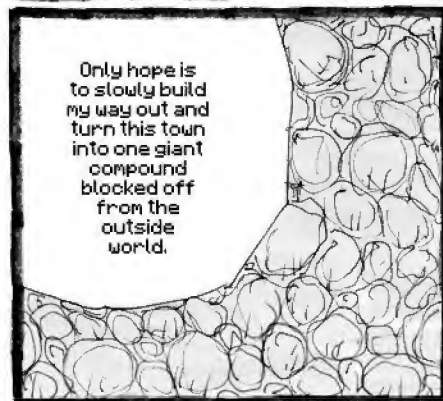

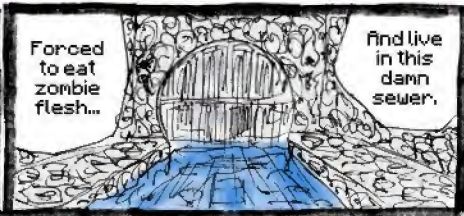

Ouais,  
vous pouvez  
venir et rester  
à ma ville.

Chapter 5: End
